

## Meet Maaz!

On 20 April 2021 we had a new addition to our team of security officers working at the Facebook site: Maaz! Maaz is a student at Manzil - a not-for-profit center that caters to students with disabilities - finishing his final year in the Vocational Training Program. Securitas has been supporting the Manzil Employment Program for the past 5 years with different initiatives to ensure the inclusion of people with disabilities in the workplace.

Securitas' Unique programme ensures that everyone is treated as unique and equal and is provided with the same opportunities within the organisation. The collaboration with Manzil and the involvement of Facebook started in light of this very initiative. We are very grateful to Facebook, our client, who not only accepted the opportunity to include Maaz in their team, but was of great encouragement, too. The Facebook team has been fantastic in adapting SOP to Maaz's understanding and our Securitas team has welcome Maaz with great enthusiasm. Two Securitas co-workers have already offered to be Maaz's buddies at Facebook to support his employment journey

Maaz is currently undergoing his induction at Facebook as an assistant security officer/receptionist on a part-time basis.

Maaz was also lucky enough to count on SIRA's support in having him deployed at the site as a Security Officer.

We send Maaz our warmest welcome and wish him a great career with us all at Securitas!
